NET CASH PRICE LIST OF FRUIT TREES, Etc.

FOR SEASON 1917.

Fifty trees of one variety (for instance, fifty Gravenstein Apple Trees) are allowed at hundred rate; six at dozen rate.

Thousand rate (minimum 500 trees despatched at one time, and may include an assortment), 10 per cent. reduction.

If one particular grade of any variety happens to be sold out, another grade of same variety will be substituted, unless instructions are given to the contrary.

Packing is free on all orders amounting to 20/- and over.

Delivery is free to rail or ship's side in Auckland, also to Warkworth, and to way ports between Warkworth and Auckland.

In ordering, please mention varieties that will be acceptable as substitutes, in the event of the varieties ordered being sold out.

Grades: For the most part trees are graded by size.
